

PROCEEDINGS OF THE TWENTY-FOURTH MEETING.

HELD in the Latin Lecture Theatre, The University (Mason College), Edmund Street, Birmingham, at 3.0 p.m., on Wednesday, March 19th, 1919, the President, Mr. W. F. J. Wood, in the Chair.

The following paper was read and discussed:—

“The Preparation of Raw Materials for, and the Casting of, Glass Pots,” by Mr. B. J. Allen.

A long and interesting discussion took place, in which Messrs. W. Butler, J. Wilkinson, M. H. Edwards, Congreve Jackson, J. S. Williams-Thomas, J. H. Davidson, and A. B. Searle took part.

During the course of the morning visits were paid, at the kind invitation of the Directors in each case, to the works of Messrs. P. Branscomb Glass Bottle Works, and Messrs. Icknield Glass Works (Oslers), Ltd. A hearty vote of thanks was passed to each of these firms for the privilege accorded.

The following members were elected:—
